Open in prayer

"Thank you God for giving us an opportunity to learn about you today. We ask that your Holy Spirit bring us closer to you and each other today. In Jesus name, Amen."

Family Discussion/Bible

1. Have you ever read or heard something in God's word that you understood really well? What was it and what did it mean to you?
2. Have you ever read or heard anything that's made you want to change?
3. Have you ever read or heard anything that you didn't understand? What was it? (parents if you don't feel comfortable answering this question email us so we can help!)

So what does this mean for us?

Sometimes it's easy to believe that God does big things for other people and not us. But it doesn't have to be anything difficult or confusing! If it's in the bible, it's true! It's that simple! When it says that God provides for us, we don't ever have to worry about not having what we need! When it says that God protects us, we don't ever have to be afraid! When it says that God forgives us, we don't have to continue to feel bad! It's all TRUE!!

Isaiah 40:8 The grass withers, the flower fade, But the word of our God stands forever.

Close out in prayer

“Lord thank you SOOOO MUCH that you give us your word and that it’s true. We ask you today to give us a deeper faith to believe this with all of our heart and stand on your word when we face difficult decisions. Thank you for being so good to us and giving us everything we need to live a life full of faith and purposes! Speak your word to us everyday not only to help us, but so that we can help others as well. In Jesus name, Amen.”

Activity

Science eXperiment: How powerful God’s word is

- Materials- glass of chocolate milk about half full (this represents us) and red bull (this represents God’s word)
- Pour some red bull into the glass and watch the fizz and chocolate milk separate!

God’s word separates us from the world and separates us from sin. When we believe God’s word is true and begin to live by it we have a greater responsibility to live our lives and love people differently! But thankfully, the bible gives us everything we need to do that effectively and help us separate the ungodly parts from ourselves. I believe God’s word is true!
