

## Can You Believe It?!

(lessons based off of Hillsong Kids curriculum)

### Unit 1: God and His Word

### Week 3: I believe God created you and me!

#### **Memory Verse**

John 1:1-3 In the beginning was the Word, and the Word was with God, and the Word was God. He was with God in the beginning. Nothing- not one thing!- came into being without Him.

#### **Open in prayer**

“God thank you so much for loving us no matter what. Thank you that you are here with us ready to help us learn more about you today. We invite your Holy Spirit in to teach us and draw us closer to you. In Jesus name, Amen.”

#### **Family Discussion Questions**

1. Would you say you look more like your mom or your dad? What are some of the features you share?
  2. Who do you act like more? In what ways?
  3. Do you have any siblings or other family members that look or act like you?
- We often look or act like the people we are related to . . . especially our mom and dad since we are a perfect mix of the two of them! When God created us in His image, He said, “let us make human beings in our image, make them reflect our nature . . . so they can be responsible for everything that moves on the face of the earth.” (Genesis 1:26)
  - Even though we may look and act like mom, dad or other family members, God created us to be like Him!

### **So what does this mean for us?**

The more we get to know God, the better we understand who He created us to be . . . because we were created to reflect Him! So if we ever face a situation where we are unsure of how to act or treat people, we can take what we know about Jesus and how He treated people and apply that to how we live our own lives as well! By following Jesus in this way, we are reflecting God! We are made in His image!

### **Close out in prayer**

“Dear God thank you that you created us when you could have created anything else. We know that we are nothing without you. Help us to reflect your image God- everyday in everything that we do. In Jesus name, Amen.”

- Have each family member either color or press their finger into the clay or ink (and press onto a white sheet of paper)
  - everyone use the same finger!
- Use the magnifying glass to compare everyone's different print! How are they alike? How are they different?

2. Material: baby powder or powder sugar, clear tape, and a magnifying glass (if you have one)

- Everyone use the same finger and put some powder on the tip of the finger
- Stick your fingers on the sticky side of the clear tape to collect a finger print
- Compare your finger prints. How are they alike and different?

3. Draw a picture of yourself and make a list of all the qualities in yourself that you feel reflect Jesus!
