

## I am Made by God

### Memory Verse

1 Timothy 4:4 Everything God created is good

### Open in prayer

“Dear God, thank you so much for today and that you are here with us. Help us to learn about you and how much you love us today. In Jesus name, Amen.”

### Opening Discussion

1. What are some things that you care about or like to do? (e.g. care about animals, like to build things, etc)
2. Who is someone you really love to spend time with?
3. What is an invention you really enjoy? (e.g. skateboard, iPad, roller coaster etc . . . )
  - Do you know who invented those things? If not, look it up!
4. What do you think all of these things/people have in common?

GOD MADE THEM ALL! And God made you too! Everything that you like, care about and do well God did on purpose and wants to use for what He created you for!

God created the Earth, the plants and animals, the sun and the moon and the stars and said it was all good! And God says that YOU are good too! God loves you so much and cares about every single part of your heart and your life! You can trust him with anything because He only wants to give you good things and have a wonderful friendship with you!

### Close in prayer

“Dear God, thank you so much for all the beautiful things you created and thank you for creating us. Please help us understand how special we are to you and how much you love us. Fill us with confidence everyday that you created everything about us and that it is good. Help us to glorify you in all we say and do and use the things you put in us for good. In Jesus name, Amen.”
